Sutton Veny House is set in a wonderful rural location with outstanding beauty and breathtaking surroundings. Situated in 25 acres of peaceful grounds and parkland within the village of Sutton Veny. We can offer both a tranquil setting and the convenience of the nearby towns of Warminster, Salisbury and Bath.

Catering for older people seeking residential nursing care in their retirement in a relaxed, friendly and warm environment.

We have a beautifully designed salon.

Our extensive stunning gardens have recently been improved with the addition of a sensory garden where people enjoy spending time and relaxing.

Family and friends are welcome to visit at all times and refreshments are always available.

Our experienced staff provide quality care, respecting at all times the privacy and dignity of the people who use the service, allowing them their individuality and own space.

We encourage people using the service to do as much for themselves as they are able.

Sutton Veny House welcomes up to 28 residents. The large bedrooms, many with en-suite facilities, are tastefully decorated and people are welcome to use their own furniture.

The home provides an extensive activities and social programme. This includes musical events, exercise classes, reminiscing, crafts, poetry reading and many other events.

Sutton Veny House offers delicious home cooked cuisine, special diets can be catered for including diabetic and vegetarian options. We pride ourselves in our delicious and nutritious menu which is highly appreciated.
